

SIMPLY CLEVER

# MORE PERFORMANCE, LESS CONSUMPTION.

The **Škoda** Yeti with 1.4 TSI/90kW. Be prepared for something wild.

Behind the wheel of the Škoda Yeti, every journey is extraordinary. Even more with the all-new 1.4 TSI/90kW combining high performance with a surprisingly low fuel consumption. No matter what engine you choose, the robust yet compact Yeti tackles all terrain with ease. Negotiating difficult paths is a walk in the park, thanks to the 4-wheel drive and the off-road mode, which also features a hill descent assistant. Inside, the VarioFlex rear seating system effortlessly accommodates different payloads and passengers, while the panoramic roof window will give you a whole new outlook. The Yeti's comprehensive safety features include up to 9 airbags to safeguard both driver and passengers. Schedule your test drive with any authorised Škoda partner now and be prepared for something wild.
